[Freeman RG \(1912\)](#). Serum treatment of pneumonia. JAMA 59:140.

### Key passages

#### AMERICAN PEDIATRIC SOCIETY

*Annual Meeting, held at Hot Springs, Va., May 29-31, 1912*

#### Serum Treatment of Pneumonia

DR. ROLAND G. FREEMAN, New York: On account of the usually favorable results of treatment with antipneumococcus serum it seemed worth while to try it in a series of cases, using alternate cases as controls
