Dear Sir Iain Chalmers

***JOURNAL OF CLINICAL EPIDEMIOLOGY, Vol 42, 1989, pp 35-44, Jenicek: “Meta-analysis in medicine: where we are and where we want to go”; pp 1021-1024, O’Rourke: “Meta-analysis in medical research: strong encouragement for higher quality in individual research efforts”***

Proposed Use: to be posted on the open access website at the James Lind Library ([www.jameslindlibrary.org](http://www.jameslindlibrary.org)).

As per your email request dated 31 May 2012, we hereby grant you permission to reprint the aforementioned material **on the World Wide Web** at no charge subject to the following conditions:

1. If any part of the material to be used (for example, figures) has appeared in our publication with credit or acknowledgement to another source, permission must also be sought from that source. If such permission is not obtained then that material may not be included in your publication/copies.
2. Suitable acknowledgment to the source must be made as follows:  
“This article was published in Publication title, Vol number, Author(s), Title of article, Page Nos, Copyright Elsevier (or appropriate Society name) (Year).”
3. A hyper-text is included to ***JOURNAL OF CLINICAL EPIDEMIOLOGY*** Homepage at <http://www.sciencedirect.com/science/journal/08954356>.
4. Reproduction of this material is confined to the purpose for which permission is hereby given.
5. This permission is granted for non-exclusive world **English** rights only. For other languages please reapply separately for each one required. Permission excludes use in an electronic form other than as specified above.

Yours sincerely

Natalie Qureshi  
Rights Manager
